DR. STANLEY L. DRENNAN

On April 18, 1963, [redacted] b7D

[redacted]
651-0217, furnished the following information:

Dr. Stanley L. Drennan, a physician and surgeon,
with offices at 3550 West Eighth Street, Los Angeles, California,
phone DU 2-5755. [redacted]

[redacted] For the past several years,
Drennan, in his political orientation, has indicated that
he is to the extreme right, that he hates the Democratic
Party and its leaders. Drennan claims to have documentary
proof that Eleanor Roosevelt and Dwight Eisenhower are
communists.

On April 17, 1963, Dr. Drennan told [redacted] that
something had to be done as the Pope has stopped his fight
against communism and has come out in favor of co-existence
and working through the United Nations, and that unless
immediate action is taken, this country and the world would
go communist within two years.

Dr. Drennan then remarked that "we are going to
do something about it," and said that he was on his way
over to Poor Richard's Book Shop, 5403 Hollywood Boulevard,
which is owned and operated by F. X. Ranuzzi, in order to
discuss with others the plan for assassinating President
John F. Kennedy, Attorney General Robert Kennedy, and 20
or 30 members of Congress. [redacted] said he was quite certain
that by the term "we", Drennan referred to the John Birch
Society, as he mentioned that organization later in his
conversation, as will be shown below. Drennan mentioned
the name of Senator Jacob Javits of New York in his
conversation, and although [redacted] is not absolutely certain,
it is his recollection and conclusion that Senator Javits

was to be one of the "victims". Dr. Drennan said they would select "a member of the military" with a "neutral" political reputation, and no connection with "the John Birch Society", to perform the assassination, so as not to cast reflection upon the John Birch Society.

In October, 1962, Dr. Drennan invited [] to attend an open meeting of the John Birch Society, which was held at his residence. [] attended this meeting, at which there were about 15 people present and the main speaker was Carl Prussian, []

[] A collection was taken up in behalf of Prussian. About five weeks ago [] attended another open meeting of the John Birch Society at the home of F. X. Ranuzzi at 4824 Glencairn Road, Hollywood, California, at which 27 people were present.

Dr. Drennan advised [] that he and his group are endeavoring to secure the release of the Venezuelan who fled that country with twelve or fifteen million dollars and is incarcerated in Cuba. M/AMI.

Dr. Drennan is a staunch supporter of General Walker of Texas, and at the present time he is engaged with others in his group in collecting clothing and drugs to be sent to the Cuban raiders. Dr. Drennan stated that they did not need money, only supplies, combat-type clothing and drugs for those Cubans who are conducting raids against Castro. Drennan said that any money contributed would be immediately converted to such supplies.

In Ranuzzi's Poor Richard's Book Store there are history books, biographies and pamphlets which are generally critical of the American Government. On the other hand, there are books by well-known authors against communism.

DR. STANLEY L. DRENNAN

The Los Angeles County Medical Association Directory of Members dated 1955 mentions Stanley L. Drennan who was born in 1916, graduated from Oklahoma University in 1941, was licensed to practice medicine in California in 1946, who then maintained his office at 175 South Vermont Avenue, Los Angeles.

Records of the Retail Merchants Credit Association of Los Angeles checked on April 19, 1963, disclosed information that Dr. Stanley L. Drennan as of 1959, resided at 3575 Wonder View Drive, Los Angeles, with his wife, Aloha Leiby, was self-employed as a physician at 175 South Vermont Avenue, Los Angeles, and had satisfactory credit standing.

Records of the Los Angeles County Registrar of Voters reviewed on April 19, 1963, were found to include the current registration of Stanley L. Drennan, 3575 Wonder View Drive, Los Angeles, dated January 26, 1963, reflecting his birth in Iowa, his height as 5' 10", his occupation as "M.D.", his political affiliation as "Conservative". These records also contained a current registration of Mrs. Marguerite R. Drennan, same address, dated January 26, 1963, which reflects her birth in Missouri, her height 5' 1½", her occupation as housewife and her political affiliation as "Conservative". They also contained a registration of Mrs. Aloha L. Drennan, 175 South Vermont Avenue, Los Angeles, dated September 4, 1962, which discloses her previous residence at 3575 Wonder View Drive, Los Angeles and identifies her as a registered nurse, born in Virginia, and height 5' 7".

Records of the Los Angeles County Registrar of Voters also contain cancelled registrations in the names of Stanley L. Drennan and Mrs. Hazel Marguerite R. Drennan, 3575 Wonder View Drive, Los Angeles, both dated March 10, 1962, in which they registered their intention to affiliate themselves at the next primary election with one of the major political parties. It further contained a cancelled registration of Stanley L. Drennan, 175 South Vermont Avenue, Los Angeles, dated January 9, 1948, of Mrs. Hazel Marguerite R. Drennan, 3575 Wonder View Drive, Los Angeles, dated

DR. STANLEY L. DRENNAN

November 16, 1961, reflecting her previous registration under the name Miss Hazel M. Reed and of Mrs. Aloha L. Drennan, 3575 Wonder View Drive, Los Angeles, dated September 2, 1956 (cancelled September 4, 1962) reflecting her previous registration at the address 175 South Vermont Avenue, Los Angeles.

Records of the Identification Division of the Los Angeles County Sheriff's Office checked on April 19, 1963, contained record of the recall on August 24, 1951 of a warrant for Dr. Stanley L. Drennan, address not shown, as a "defaulting witness" and that he posted \$100 bail in that connection. Files of the Identification Division of the Los Angeles Police Department checked on April 19, 1963, and of the Los Angeles Office of the FBI were found to contain no information identifiable with Drennan.

FRANCIS X. RANUZZI

Records of the Retail Merchants Credit Association of Los Angeles checked on April 19, 1963, disclosed satisfactory credit information regarding one Francis X. Ranuzzi, 6439 La Mirada, Los Angeles, engaged in the insurance business.

1 Records of the Los Angeles County Registrar of Voters reviewed on April 19, 1963, disclosed the current registration of Francis X. Ranuzzi, 4828 Glencairn Road, Los Angeles, dated April 11, 1962, reflecting his birth in Pennsylvania his height as 5'10½" his occupation in the insurance field and his intention to affiliate himself at the next primary election with one of the major political parties. These records also disclosed the current registration of Mrs. Florence E. Ranuzzi, 4828 Glencairn Road, Los Angeles, dated March 24, 1962, reflecting her birth in Illinois, her height 5' 4½", her occupation as a businesswoman and her intention to affiliate herself at the next primary election with one of the major political parties. These records also contained cancelled registration in the name

DR. STANLEY L. DRENNAN

of F. X. Ranuzzi, same address as above, dated October 5, 1961; (cancelled April 11, 1962), in which he registered his intention to affiliate himself in the next primary election with the "Voters Independent Party". This registration cancelled a previous registration under the same name and at the same address dated March 26, 1960, in which he registered his intention to affiliate himself in the next primary election with one of the major political parties.

By letter dated September 21, 1961

California, furnished to the FBI, Los Angeles a news letter dated September 14, 1961, on the letterhead stationery of the Voters Independent Party (VIP) which tells of a meeting on August 8, 1961, in East Woodland Hills, California, of a small group who heard about a plan to place the VIP on the ballot. The news letter indicates the VIP was "dedicated to preserve, protect and defend the constitution of the United States of America," and advocates a "pro-capitalist, libertarian philosophy of government", and was anxious to obtain 80,000 registrations to gain legal recognition.

Records of the Identification Division of the Los Angeles Police Department, reviewed on April 19, 1963, disclosed the arrest on March 11, 1952 of one Francis X. Renault, also known as Ranuzzi, 6439 La Mirada, Los Angeles, for "traffic warrants", in connection with which \$70 bail was posted. These records described the arrested person as an insurance salesman for "Phoenix Mutual" who was born in Pennsylvania on February 7, 1918, and whose general description is male, white, 5' 10" tall, 200 pounds, blue eyes and brown hair.

Records of the Identification Division of the Los Angeles County Sheriff's Office, checked on April 19, 1963, disclosed no information identifiable with Ranuzzi.

Records of a national credit agency, checked on April 19, 1963, disclosed no information identifiable

DR. STANLEY L. DRENNAN

with the Poor Richard's Book Shop.

[redacted]
Los Angeles advised on September 21, 1960, that the Poor Richard's Book Shop, 5403 Hollywood Boulevard, is operated by Mr. and Mrs. F. X. Ranuzzi both of whom are members of the John Birch Society and that Mrs. Ranuzzi had asked her to attend a meeting in her home to learn more about a group of "good people" who felt no one was doing anything to check communism and were therefore "arming" themselves against the communists.

"The Los Angeles Times" newspaper dated March 9, 1962, contained an article entitled "Right-Wingers Hit on 'Quote' by Krushchev", datelined at Washington, D. C., which said that Senator Metcalf (Democrat - Montana) had charged that political leaders were being bombarded by postcards bearing a quotation falsely attributed to Soviet Premier Krushchev which "arouses Americans against their elected officials", that the quotation had been circulated in material endorsing the John Birch Society printed on postcards distributed by a savings and loan association "and Poor Richard's Book Shop," both of Los Angeles. A sub-article added: "F. X. Ranuzzi, owner of Poor Richard's Book Shop said he had used the quotation on an estimated \$900,000 cards bearing lists of books on Americanism. He said he believed he picked up the quotation from one of the Coast Federal's cards and assumed it was authentic".

In December, 1962. [redacted]

[redacted] made available to the Denver Office of the FBI a one page leaflet captioned, "International Press News Briefs, June 5, 1962" which facetiously lampooned the family of President Kennedy, which (Drier said) emanated from Poor Richard's Book Shop, 5403 Hollywood Boulevard, Los Angeles.

On March 6, 1962. [redacted]

[redacted] made available a printed letter of the "Committee to Free Cuba," with national headquarters at Post Office Box 91, Arcadia, California, dated

DR. STANLEY L. DRENNAN

March 2, 1962, which lists F. X. Ranuzzi among members of its advisory board and states that the committee, a recently chartered non-profit organization, had been organized to rally all patriotic Americans "to stimulate public opinion to demand more backbone in our politicians and public officials" and to encourage and aid "morally and legally" the anti-communist underground in Cuba for the purpose of saving Cuba from communism. This letter lists [redacted]

b7D

[redacted] who signed the letter. [redacted] had previously (on February 5, 1962) identified F. X. Ranuzzi as a book store owner.

The "American Committee to Free Cuba Inc." with national headquarters at Post Office Box 91, Arcadia, California, mailed some of its literature to the Santa Ana, California Resident Agency of the FBI in an envelope postmarked November 27, 1962, which disclosed an obvious similarity in stationery format and membership in its advisory board and executive committee with those of the above-mentioned "Committee to Free Cuba". A "special news-letter" criticized the "no invasion promise" of President Kennedy for "reducing the United States to the shameful role of a surrendering nation" and the "no war but surrender policy" of the United States Government for frustrating efforts of the Cuban underground in the United States, claiming that "Cubans are in essence forbidden to free their country". It added that petitions were being prepared to request immediate action by Congress "in permanently resolving the Cuban crisis".

A confidential source-who has furnished reliable information in the past advised on February 11, 1963, that the "American Committee to Free Cuba Inc." was then circulating a printed letter which stated it was instituting a petition

DR. STANLEY L. DRENNAN

to the President of the United States "demanding the destruction of the communist regime in Cuba", to which petition five million signatures were to be sought.

This is to advise that on 7/17/63, Mr. GEORGE SHEAKS, U. S. Secret Service, Los Angeles, California, advised that Secret Service has completed their investigation and closed their case on Dr. STANLEY L. DRENNAN. Mr. SHEAKS stated that their office had interviewed Dr. DRENNAN and FRANCIS X. RANUZZI regarding statements and any plans to assassinate the President. Mr. SHEAKS stated that both Dr. DRENNAN and RANUZZI denied making any such statements to their recollections, and added if any comments along those lines were made, they were without any real foundation or thought in mind of participating in such an event.

Mr. SHEAKS stated that he is inclined to feel as a result of his investigation that if any statements or ideas were put forth suggesting assassination of the President, it was done without any real intent and it was for this reason that their case is being closed.

No further action is being taken in this matter by the Los Angeles Office of the FBI.

On 2/14/64 [redacted]

[redacted] was recontacted and furnished the following information:

[redacted] advised that he had no direct information that Dr. STANLEY L. DRENNAN was a member of the National State Rights Party (NSRP). He advised that he has never heard him say he was a member of the NSRP or has he seen him at any NSRP meetings or in contact with any of the known members.

[redacted] stated DRENNAN was a member, or he assumed he was a member of an unnamed group which met regularly in the Los Angeles area for discussion purposes. He stated that this group was extreme in its approach to any question and was violently anti-semitic. This group gave [redacted] the impression that they were following the NSRP line in being anti-semitic and violently anti-Negro. He advised that in addition he recalls seeing some of the participants in this group, identities unknown, at the Poor Richards Book Shop, Hollywood, California. He stated that [redacted]

[redacted] advised that a [redacted] is an acquaintance in the NSRP in Los Angeles and based on his knowledge of the NSRP the study group and Dr. DRENNAN could well be members of NSRP as they all follow the same general line of thinking.

[redacted] advised that in his own thinking and mind of these individuals with whom he is acquainted with in the Los Angeles area he more or less lumps them together as a group of "crackpots". He again stated that he could not state DRENNAN was in the NSRP or associated with it in any manner.

EXTREMIST MATTER - WHITE HATE
OO: Los Angeles

This investigation is based on information which indicates that the Identity Group, also known as Ministry of Christ Church, is engaged in activities which could involve a violation of Title 18, U. S. Code, Section 1114 (Assaulting or Killing a Federal Officer), Section 2383 (Rebellion or Insurrection), Section 2384 (Seditious Conspiracy), or Section 2385 (Advocating Overthrow of the Government).

WILLIAM POTTER GALE, Glendale, California, is the leader of Identity Group, which is also known as the Ministry of Christ Church, which has been described as a cover for an "underground army". He is the self-proclaimed minister of the church. Identity Group claims to have representatives in 40 states. It advocates violence against Federal officers, blacks, and Jewish elements. The group advocates tax rebellion and has urged the killing of Federal judges as well as FBI Agents and Internal Revenue Service Agents. It advocates formation of a "Posse Comitatus", a voluntary group of citizens who would act in the name of local sheriffs to "enforce" the law.

The national headquarters of Identity Group is currently located at the Manasseh Ranch, 4742 Usona Road, Mariposa County, California.
